## PLEASE JOIN DRWF AS A 'PARTNER FOR THE CURE'

We need 'Partners' to help bring a cure for diabetes closer. And your help right now can make that happen.

**Partners for the Cure**

**Your financial support of diabetes research could not be better timed, to keep key research on target and to avoid cutbacks. DRWF is indebted to you for your continued generosity.**

In order to make it much easier to fulfill your very generous gifts to our mutual goal of finding a cure for diabetes, I am writing to invite you to participate in our committed giving program, 'Partners for the Cure'. This regular giving program enables our supporters to donate on a monthly basis via automatic payment from a checking account or credit card - just as they may do now with their mortgage, utility bills and other regular expenses.

This regular income is invaluable to our research and support work and enables us to plan ahead more effectively and commit greater sums of money to the research projects we believe will lead us to a cure.

With increasing numbers of people being diagnosed with diabetes, we feel that now is the time to drive research forward, and this type of committed giving will allow our members to support the most exciting research of our time.

The 'Partners for the Cure' program is very straightforward, and your regular donation could be as little as \$3 a month.

This type of regular giving improves our cost effectiveness and enables us to inject an even larger percentage of our funds directly to where they're needed most - in support of fast-track diabetes research. The goal? To find a cure within the next decade!

## Building today for a cure tomorrow

The benefit to you as a 'Partner' is that you are totally in control of your donations - without the hassle of having to remember to send your check or credit card contributions. Your regular gift will run until you tell us that you want to stop giving, at which time the instruction will be cancelled.

By becoming a 'Partner', you can rest assured that as much as possible of your donation is put to good use in support of vital diabetes research.

With the hope that you are interested in this program, I have enclosed the relevant documentation needed for an exciting opportunity to support diabetes research in one of the most cost-effective and efficient ways you can.

Please give this careful consideration. Your support is of tremendous help to the Diabetes Research & Wellness Foundation® - and more importantly to the researchers who are striving to find the cure.

May I thank you for your loyal commitment to finding a cure for diabetes and tell you how much your generosity is appreciated.

I look forward to our continued association.

Sincerely,

*Walter M. Bortz II, MD*

### How does Partners for the Cure work?

This secure program works directly with your bank, in the same way as other electronic funds transfer systems you may already conduct (such as utility bills or mortgage payments). All transactions are done electronically, debiting your bank account or credit card automatically for the amount to which you have agreed in writing. It is a hassle-free, simple solution for today's busy families.

### Can any additional funds be taken from my account other than what I have authorized?

NO! The program is strictly regulated, and only you can designate the amount of money that may be debited on a monthly basis. We will not disclose any non-public personal information except as required by law. We maintain physical, electronic, and procedural safeguards that comply with federal standards to safeguard your information.

### When do the transactions take place?

On the 15th day of each month (or the next business day if the 15th falls on a weekend or holiday) your account will be debited for the total monthly contribution amount you have authorized.

### How can I be sure that my gift is going to DRWF?

Your monthly gift will be clearly itemized on your bank or credit card statement with the name of Diabetes Research & Wellness Foundation. DRWF will receive monthly statements indicating your support level. DRWF will provide you with an annual contributions statement for tax purposes. Your contributions to DRWF via Partners for the Cure are tax-deductible to the extent allowed by law.

### Can I stop, increase or decrease my payment at any time?

Yes, by writing DRWF at: 5151 Wisconsin Ave NW, Suite 420, Washington, DC 20016, by emailing [partners@diabeteswellness.net](mailto:partners@diabeteswellness.net), or by calling our Executive Offices at 202-298-9211.

### How does DRWF benefit from my participation in Partners for the Cure?

The additional and regular income will enable DRWF to commit to research projects knowing the funds will be available. This could result in a cure for diabetes being developed earlier.

### How do I sign up?

By completing the Enrollment Form enclosed and returning it to DRWF in the envelope provided. Please be sure to include your voided check or complete the credit card information on the Enrollment Form - we will do the rest.
