

### 12TH ANNUAL DIABETES GOLF CLASSIC is sponsored by Diabetes Research &

Wellness Foundation. The mission of Diabetes Research & Wellness Foundation® (DRWF) is to help find the cure for diabetes and, until that goal is achieved, to provide the care and self-management skills needed to combat the life-threatening complications of this terrible disease.

#### To accomplish this mission...

**DRWF** provides funds to both fledgling and seasoned researchers whose work offers the best hope and most expedient path to a cure for diabetes, while providing substantial insight into the causes, early detection, or treatment of diabetes and its complications.

**DRWF** promotes public education about the causes, prevention, and treatment of diabetes and its complications, as well as providing services and products to people with diabetes.

**DRWF** supports the education and training of health care professionals in order to improve the quality of the diabetes care they deliver.

In these and other efforts, **DRWF** provides hope to millions of diabetes sufferers.
